

REMARKS/ARGUMENTS

These remarks are made in response to the Restriction Requirement dated February 21, 2008. As this response is timely filed within the one-month shortened statutory period, no fee is believed due.

The Restriction Requirement requires election of one of the following inventions:

Invention II: Claims 12-19, drawn to a vibration device.

Invention III: Claims 20-25, drawn to purchasing a multimedia presentation of an event to an event participant.

Applicant hereby submits a provisional election of the **Group I (Claims 1-11)**. Accordingly, Applicant hereby withdraws from consideration Claims 12-25 in order to comply with the Restriction Requirement and expedite prosecution of the application. Applicant respectfully asserts, however, that the withdrawal of such Claims or any election of species herein is not to be construed as a surrender of any subject matter in the instant application, and Applicant expressly reserves the right to pursue protection for the subject matter of the withdrawn claims or unelected species in one or more divisional patent applications.
